**AMENDMENT after FINAL**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Responsive to an Office Action made final, mailed September 22, 2004, and the subsequently filed Notice of Appeal, filed March 22, 2005, the present amendment is being filed in conjunction with a request for a four month extension and an appeal brief supporting the previously filed appeal. The present amendment cancels claims 1-34 in an attempt to simplify the issues on appeal. The present amendment does not raise any new issues, which would necessitate a further search, and is believed to place the application in better condition for appeal.
